Your Honor,

I am writing this letter to urge your leniency in the sentencing of my fiancé Micah Gordon-Bey.

I have known Micah for over 16 years, we graduated high school at the save time, and he is the father of my three children. He and I are both aware of the gravity of the crime he was convicted of, but it is still hard for me to wrap my mind around. He is not a violent man what so ever, he is actually a very respectful and intelligent laid back gentleman.

Micah has always been for me and our family, willing to lend a hand with everything, from fixing on the car to studying for a test and overall support with our children. I honestly feel that imprisonment is the most unsafe place for him especially with the COVID-19 pandemic. Micah's life is in danger in any jail or prison. Home is the absolute best, most safe place for Micah to be with his family during this World Crisis. Probation and Parole has even been out to do a walk-through of the house right before the outbreak.

Micah is the first to admit when he has done something wrong and has expressed to me that he only wants to continue to become a better person overall. I am for your leniency. He has close ties to the community and I strongly believe that a lesser sentence is most appropriate for Micah in this situation.

Sincerely,

Dear Judge,

I just want to take some time out of my day to write this letter to you to tell you that I really need my dad home I really miss him. I just really need him to come home because, he's a great father and I need him to help practice/coach me for football and basketball after this stay at home order is over and I also need him because I know he will stay up all night with me and help me study for my tests that we are doing online. I just really need my dad to come home because he is the best dad I could ever ask for. I am starting to get scared because of the corona and the jail not letting us see him. Please let him come home to his family.

Sincerely,

Z'Micah Gordon-Bey

Dear Judge,

Hey, T. would like for you to
Send my dad home. I miss him and
need him, spend time with him all
of that. You know how the corona

to protect me from that I'm scared
cause his side 3 people got it
so PLEASE LET HIM COME HOME
I'm pretty sure he would want to
protect his only daughter by himself
cause when he in jail he can't do
